Sara discussed with council members the staff's current wage and benefits. With inflation continuing to rise Sara recommends the budget for wages to increase and will look more into quotes for staff benefits. She requested a 6.2% increase in wages to stay competitive. Council members agreed to secure the staff and stay competitive with other entities an increase in wages is needed and would also like to establish benefits. Council requested further information for additional benefits proposed by the tribal administrator. Sara will bring benefits program to subsequent meetings.

Council agrees to increase staff wages and budget as presented. All in favor. 12:32 pass unanimously to increase current wages

Marla motions to approve, Savannah second, all in favor: Aye 4/Nay 0/Abstain 0/Absent 1
